Overall Fork Width (mm)	540
Fork Length (mm)	1150

Our range of Pallet Trucks are all supplied with **top quality hydraulic pump's** with a slow lowering hand control, 3 position lever, providing **fingertip control**.

Grease fittings are fitted at key points.

An entry roller is fitted at the tips of the forks in addition to all our trucks being supplied with **Tandem rollers** and opposed to Single rollers supplied by some companies.

Tandem rollers help spread the load and reduce ground contact loading by 50%. This makes it **easier to move heavy loads** on the truck resulting in **less strain for the operator**.

We provide a nationwide 2-3 day delivery service with next day delivery available on request.
All of our products come with a full twelve month parts and labour warranty.
