A small pallet truck, with across fork dimensions of 450x800mm–it is best suited for moving smaller pallets such as many of the printer pallets.

2500kg capacity with a German designed hydraulic pump.

3 position hand lever, with controllable lowering speed.

High quality profile, with powder coated frame.

Supplied with double PU/Polyutherane forks all around, which are quieter than Nylon, more forgiving on the operator and non-marking.

We provide a nationwide 2-3 day delivery service with next day delivery available on request. All of our products come with a twelve month warranty
