## LOW PROFILE PALLET TRUCK

The ACLow51A is a low profile pallet truck.

Low Profile Pallet Trucks are designed to operate with low clearance pallets, disposable pallets. These types of pallets are becoming increasingly common in containers which are loaded by conventional forklifts.

Minimum fork height is just 51mm and raised height is a maximum of 165mm.

Dimensions across the forks are 540x1150mm, with each fork measuring 160x37mm.

This low profile pallet truck has a capacity of 1500kg and has the quieter PU rollers on the front and rear.

Top quality Hydraulic pump with a slow lowering hand controlled 3 position lever.

We provide a nationwide 2-3 day delivery service with next day delivery available on request.  
All of our products come with a twelve month warranty
