## EXTRA LONG PALLET TRUCK AC20XL-550X2400

An extra long pallet truck, this is the longest hand pallet truck that we offer and is suited for those more unusual applications.

A high quality hydraulic pump based upon a German design, this unit offers a 2000kg capacity.

Powdered coated finish, a soft grip handle, guide entry rollers and a three position lever with controllable speed lowering.

The unit has double PU load rollers and PU steer wheels, which are quieter, less damaging to fragile floor surfaces and this also helps to send less vibration through to the operators hands.

Model	AC20XL-550X2400
Capacity (kg)	2000
